

ALL SOCCER PLAYERS WANTED (for the spring league)

Yes we are already asking about Spring soccer

Soccer was very popular last year. So much so that many players experienced very little playing time as the teams were so large. We want to determine if we have enough players to field more than one team at each level this spring. This will make it more enjoyable for all the children who play. Please complete the following form and return to school by Friday October 5. No fees are required. This is for a head count only. If you are unsure please mark that as well. Extra planning is required if we are going to field more than one team per level. Please complete and return to school in an envelope marked Athletic Association.

Thank you.
