

Gifts for Teachers

September 21, 2009

Dear Campus School Parents:

We hope that this school year is going well for all of you. Believe it or not, the time has come to begin coordinating the purchase of holiday gifts for all of our wonderful teachers. If you wish to participate, simply complete the enclosed form and return it, along with a check, to the school office. *Please remember, participation in this is strictly voluntary.*

Once funds are collected, each home room parent will be given the sum of money collected for their teacher along with the names of those that donated. The home room parent will be responsible for purchasing a gift that will be meaningful for their particular teacher. Gifts for “specials” teachers will be purchased by Lorraine Buck. All gifts will be given prior to the holiday break.

This program was extremely successful last year! Parents appreciated and preferred donating monies for one gift versus buying gifts individually. Our goal is to make this as efficient and meaningful as possible.

If you wish to participate, please complete the attached form and send it into the Carlow office, with your payment, as soon as possible. ***We know the holidays seem far away, but it takes a lot of coordination, by many individuals, to make this happen. If you plan to donate, please do so earlier rather than later.*** If you have any questions or comments, please drop us an e-mail.

Sincerely,
